NAILHEAD OPTIONS

The 5000 series is not standard with nailhead, however it is an option. If nailhead is selected, it will be applied in the format shown below. Nailhead will be applied to the bottom of the baseband, as long as there is no skirt. It may be applied to the Panel Arm only, as the other arms cannot accept nailhead.

SAMPLE CONFIGURATIONS

For pieces where a style code does not apply (such as arm styles on armless pieces), enter "0" in that position. For example, an Ottoman SKU (item #40) with a skirt would be written as 5100-40. Only the Base Style Code and the Item Number are needed because Arms and Backs do not apply in this case.

For more detailed information go to: www.smithbrothersfurniture.com

*Note: End Wedges and all Chaises will always feature T-Cushions, even when ordered with Straight Cushion Arms (5, 6, and 7).

NAILHEAD OPTIONS

The 8000 series is not standard with nailhead, however it is an option. If nailhead is selected, it will be applied in the format shown below. Nailhead will be applied to the bottom of the base. It may be applied to the Panel Arm only, as the other arms cannot accept nailhead.
